## Life- Extending Floor Cleaner

Specially formulated to work with Sport Kote's unique polymer technology, this restorative cleaner promotes bond resilience and durability in the finish while extending the life of the floor itself. Its no-rinse, neutral formulation makes it ultra-simple to use. Makes it great to use as either a regular cleaner or a tacking cleaner.

- Maintains coating flexibility to extend floor life
- Versatile neutral cleaner for regular cleaning or as a tacking cleaner
- UL-classified for slip resistance
- No-rinse, neutral pH cleaner for damp-mopping and scrubbing of finished wood floors
- High biobased content (51%-90%)

High biobased content is defined by products containing 51% - 90% ingredients made from renewable plant, animal or marine resources per the Biobased Manufacturers Association.
